

High Weald Childminding

High Weald Childminding - Parents Feedback Form

Thank you so much for providing feedback on the care of your child.

This is important to ensure I am providing the highest standard of care for your child and can make improvements where necessary.

Please be reassured that all feedback will be welcomed, and you can remain anonymous if you wish.

I will keep you fully updated on the outcome either in a newsletter or face to face.

As always, if you have any concerns, please do not hesitate to speak to me, call me or email me to let me know.

Parent Name: _____

Child's Name: _____

Is your child happy at our setting? _____

Do you feel your child's needs are always met? _____

Do you have any concerns about your child's development? Do you feel you are given the information you need to understand where your child is in their development and their next steps? _____

Do you feel your child is safe at our setting? Are there any safety concerns you would like to see addressed? _____

Do you feel supported as a parent? Do you feel we work well in partnership with parents? Is there anything we could do to help you feel more supported? _____

Are you happy with the activities carried out with your child, and the variety of toys and resources within the setting? Is there anything additional you would like your child to be able to use or take part in? _____

Are you happy with the variety and nutrition of the meals and snacks provided? Would you like any changes to these for your child? _____

Are you happy with the outings and visits? Are there any additional outings or visits you would like us arrange? _____

Do you feel I am helping your child to be ready for school? Is there anything else you would like me to do to help prepare your child for school?

Would you recommend this setting to friends or family? Is there anything that would make you more likely to recommend us? Do you have any other suggestions? _____

Thank you so much for your time! We look forward to seeing your comments and suggestions.
